Annual AOC County Product Tasting

Curry County is participating in the Association of Oregon Counties (AOC) County Product Tasting Event. The Board of Commissioners will be featuring locally grown and raised Curry County products at the Curry booth on the evening of November 17, 2011 in Eugene, Oregon.

Our Curry County Commissioners would like to request donations of local County food products for the tasting event. We also request brochures and displays referencing and advertising the source of these donated Curry products to prompt our local businesses. The organizers have requested that participants prepare for 150-200 attendees.

Please inform of your wish to participate by emailing
director@goldbeachchamber.com **no later than this Monday, October 24th**

Date to deliver your product and/or promotional material to our Commissioners

Non-perishable: Thursday, November 10th

Perishable: Wednesday, November 16th
