

THE BLUBIRD HOUSE

The purpose of the Bluebird House is to bring elderly persons (the Young at Heart) together.

We believe in a “generational” approach to care. If your child has room in their heart to adopt a grandparent, stop by and visit. No child in Curry County can ever have *too many* grandparents’!

We offer a peaceful home setting on Cape Sebastian. Large picture windows are in each room with decks surrounding each building. You can’t miss the wildlife, ocean or farm animals. Whether the “weather” is sunny or stormy, we view all its’ magnificence! Stop by for a cup of “Joe” and hear their stories.

Our Goals are to:

- Exercise the body, mind and soul
- Nurture new friendships
- Interact with nature and the outdoors
- Have fun!
