

Breakfast at Tiffany's Silly Songs benefit so many!

Did you know that when you visit Breakfast at Tiffany's for one of their tasty breakfasts that you can get entertainment too? The Silly Song Star, Bernice Torrez, is the voice, has sweet enthusiasm and great repertoire of so many silly songs. How it works is you choose one from 21 on the Silly Songs List and Bernice will sing for you. Cute right, even better is the tip you give for the Silly Song to be sung goes to a non-profit organization of the week selected by Breakfast at Tiffany's. A different organization benefits each week!

A few other rules you'll want to know:

- Once you have requested and donated for a Silly Song, you will have to listen to it all the way through. If you want to make it stop before the end, well, a little more donation to the cause MIGHT work... might not...
- Some songs are short. Some songs require your participation. Some are (insufferably) long. Can't be helped :) Just remember the good you are doing for a local group!
- And Singer of Silly Songs must be present for songs to be requested. Singing's sunk sans singer!

This is a wonderful idea and entertaining. Come in, fill your belly and enjoy a bit of entertainment while contributing to a great local cause.

Located in the GoldRush Building 29692 Ellensburg Ave., Gold Beach

OPEN Monday-Friday 7am-11am
