Liberty Mutual Insurance Presents Bring Back the 4th

From May 4th through June 14th, 2011, Liberty Mutual Insurance is hosting Bring Back the 4th[™], an online contest that **Gold Beach** community members can enter for a chance to win one of ten \$10,000 grants to support our town's official Fourth of July celebration!

Simply visit www.BringBackThe4th.com starting May 4th and take a brief multiple choice quiz on "Responsible Moments in U.S. History." Each completed quiz counts as one credit towards a town's total score. Official contest rules can be found on the Bring Back the 4th[™] website.

Towns with the highest quiz participation will be eligible to win one of 10 Bring Back the 4th[™] grants, distributed via three population-based categories: small (4 grants), medium (3 grants) and large (3 grants). Please note the contest allows for one quiz per person, and winners will be announced the week of June 20th. Official contest rules can be found on the Bring Back the 4th[™] website.

So visit www.BringBackthe4th.com today, to take the quiz and find helpful tools for spreading the word in our community!
