ARE YOU CHEERING DAILY FOR THE HOSPICE MARKET PLACE?

We are doing well in the Readers Digest's "We Hear You America" contest. We are trying to win much-need funds for the Hospice Market Place to replace overhead expenses like commercial storage – so more of the money raised is used on patient care. The Hospice Market Place is truly a community project, people are generous enough to donate, volunteers then donate their time, the public shops and we take care of the dying. Help us out by clicking the link below, and "Cheer" for Gold Beach Oregon.

Just push the Cheer button 10 times each and every day ~ till February 7th!

Please share this with each and everyone you know, your email address list, your Facebook friends, do a twitter challenge with your friends and co-workers

Help us stay at the top! Just 10 cheers a Day!
