

welcome to

OREGON GOVERNOR'S CONFERENCE ON TOURISM

Promote your Business Opportunity

Each spring Oregon's tourism and hospitality industry comes together at the **Oregon Governor's Conference on Tourism**. They gather to educate, share, and develop new ways to create the best Oregon Experience possible for our visitors – and the industry itself.

A solid educational program attracts a full spectrum of attendees. Among many opportunities, including workshops, subject sessions, networking, and more, businesses in the travel industry have an opportunity to promote their business by participating in the Conference's auction.

The deadline for Auction Items to be listed in the Auction Booklet which is distributed at the conference is this Friday, April 1st.

You can obtain a copy of the auction item form by emailing me at director@goldbeachchamber.com and I will forward you the electronic file or email a description of the item to wvce@teleport.com.
