

**PROMOTION  
OPPORTUNITY**

This year's funds will be used to purchase two BioZ Diagnostic Systems for use in the Emergency Room and Primary Care Clinics. The device provides a new technology for the Curry health Network, which allows physicians to better track and evaluate cardiovascular health and to monitor the effectiveness of heart failure therapy, hypertension control, differential diagnosis of dyspnea (shortness of breath) and optimization of pacemakers.

**Curry Health Foundation**

**Rotary Clubs of Gold Beach  
& Brookings**

**SERVICE Above Self**

Are putting on the Annual High on Health Dinner and Auction this April 9th and they are looking for your support and donation - in turn brings you and your business exposure and priceless promotion value.

To make your support & generosity to this fabulous annual event please contact Amy Timeus at 698-7957 or 698-6148.

Don't know what to offer? Cash is always welcomed in lieu of products or gift certificates. Amy gathers all the cash donated and puts together spectacular gift baskets, large and small.
