

Advertising Opportunity

Representatives from Mass Marketing Inc. will be contacting you in the near future to ask if you wish to participate in advertising in our Curry County map. This map includes the county map and city maps of Gold Beach, Brookings and Port Orford with street names and index.

Your Gold Beach Chamber of Commerce has been distributing this map for several years to our visitors and locals; a new refreshed version each year. We currently distribute approximately 500 maps per year. More copies are available to those who advertise in the map, increasing your advertising presence.

If you would like to contact them first to place your ad or ask questions about this opportunity please contact Sandie Romans at 800-401-7918.
