

What is Mortgage Payment Assistance?

The Mortgage Payment Assistance (MPA) helps approved homeowners pay their mortgages for up to one year or \$20,000, whichever comes first. OHSI is now accepting applications for a new MPA program: MPA-U. This program provides assistance to unemployed homeowners by sending payments directly to loan servicers for the full monthly amount due.

In addition to monthly mortgage payments, some participants may qualify for reinstatement of arrearages through the Oregon Homeownership Stabilization Initiative's Loan Preservation Program.
