

Online Highways Travel Guide

Use the internet *highway* to promote your business. Travelers can find your business, upcoming events, community theater, shopping specials & more by visiting www.ohwy.com on their computer or cellular phone.

Travelers search by state or city name and see all the business and to do's in that area, all from their cell phone while on the go... folks that want "right now" information about their destinations.

\$50 Annual Cost

1. Current weather conditions
2. Map of city - click on map of specific business
