

# 2011 Of The Year Nominees

It is with great pleasure that we introduce the 2011 Of The Year Nominees for Business, Citizen, Non-Profit and Volunteer. Please take a moment and click on the link below to cast your vote for the nominees you believe should be the recipients of the 2011 Of The Year Awards. Every year your Gold Beach Chamber of Commerce invites folks to nominate the people, businesses and organizations that have really made a difference in our community. For the first time, the voting process is open to all (formerly a judging panel would select the recipient from the nominations). Visit our CHAMBER NEWSLETTER (located on our home page) to view the nominees of each category, information on each nominee as well as their merits that got them nominated. Awards will be presented at this year's Annual Chamber Awards Banquet on Saturday, January 21st from 5:30pm-10pm at the Event Center on the Beach, Docia Sweet Building. For more info on the Of The Year or banquet event, visit [www.goldbeachchamber.com](http://www.goldbeachchamber.com) or call 541-247-0923.
