# Be back next Spring!

Sheriff John's Classic Cars & Happy Days Malt Shop is open seasonally and reopens in the spring with a rejuvenated joie de vie which we have come to love. Bob Minshew reminds me that next year is no different – “We will be back in the Spring”, but it is with regret we say they will be closing for the remainder of the 2011 visitor season, including scheduled concerts. John Gillespie & Bob Minshew's management team, due to unforeseen circumstances, will unfortunately be leaving. Bob is actively seeking a replacement management team for this fabulous and wonderfully unique business. Sheriff John will continue to sell the classic cars (by appointment) and Happy Days Malt Shop will open for special club functions.
