

# Calling for Flatbed Trailer

**Our Curry County Fairgrounds needs to borrow a flatbed trailer for distributing cones for the Fair Parade this Saturday.**

**They are looking for a flatbed trailer between 12' to 16' long with a regular hitch. They would need it by Friday afternoon and it would be returned late Saturday afternoon.**

**If you have a trailer that fits this description and you are willing to loan it for 24 hours, please contact the fairgrounds office at 541-247-4541.**
