

# Oregon Fair Association

Our Curry County Fair committee members are headed to Salem this weekend to attend the annual Fair Convention. During this time each county fair of Oregon brings a basket to auction.

This is an opportunity to promote your business by offering an item to include in this basket.

You may drop off your item or gift certificate at Curry County Fairgrounds office (please call 247-4541 to inquire office hours) or drop off here at the Chamber office.
