

# Tell us, cause we're stumped

The monthly Gold Beach Chamber of Commerce luncheons are for you ~ Members of a strong and active business club. November luncheon is right around the corner and we are without a speaker and we want to schedule someone that will entice all members to attend the November 8th luncheon. We are asking for your thoughts and suggestions. Do you have a particular speaker or topic in mind, of interest? Please share with us.

We also, enthusiastically, encourage you to recommend speakers or topics to speak about for future chamber luncheons as well... we need your input, to make YOUR Gold Beach Chamber of Commerce work for you and your business!

Email your thoughts to
